SALE OF LOTS IN CLARKSVILLE

Abstracted from *Arkansas Gazette*, 28 Feb 1838, page 4, col. 2
Photocopy from microfilm contributed by Laura L. Shull, abstracted by Patricia Rowbotham. [Spelling, etc., preserved as much as possible; copy is unreadable in some places; best guess in brackets]

A SALE OF LOTS AT PUBLIC AUCTION. Will on *Thursday, 15th day of March* next and continue from day to day, at the discretion of the County Commissioners. Purchasers may expect liberal credit by giving and with approved security.

CLARKSVILLE is now well known as the Seat of Justice of Johnson county, in which a sale of Lots was held on the 5th and 6th days of June last. Lots were then bought on a credit of twelve months, which have since been sold for cash at an advance of one hundred per cent. In addition to the present advantages of Clarksville, it is probable that a Land office will soon be established here, and the United States Mail Stage will pass through four times in each week.

The sale will commence at ten o'clock, and continue according to []ment; attended by the undersigned Commissioners.

XX

The clerk's table to be two feet square, on a circular platform raised 16 inches above the brick floor, four feet in diameter, and bannistered. One outside door with lights over it, and a portico [thirty] feet square, with turned

There will be two fire-places and chimneys to the court-room, and one in each of the upper rooms, and in each of the offices.
