### Johnson County Family History Entry Johnson County Fair ----- August 2013

Remember the Johnson County Historical Society Family History Contest at the local fair. Possibilities include a written story of a person, event, or family in Johnson County; photographs with identified individual and connection to the entrant (Photo Pedigree Chart); scrapbook page, pages, or booklet of a family event; a shadow box; framed certificate(s); or even Grandma and/or Grandpa's hankies made into quilt, pillow, or wall hanging. Be creative. There are children and adult categories as well. You can pick up a sheet with instructions from the Heritage Center Museum. See you at the fair in August.
